REQUEST FOR REVIEW

Pursuant to Section 54.719(c) of the Federal Communication Commission's ("Commission") Rules and Regulations, Synergetics Diversified Computer Services ("Synergetics"), respectfully requests review of the Schools and Libraries Division ("SLD") of the Universal Service Administrative Company's ("USAC") July 18, 2006 Notification of Commitment Adjustment Letter ("Adjustment Letter") rescinding the June 30, 2003 Funding Commitment Decision Letter ("FCDL") (Attached as Exhibit A) for FCC Form 470 # 744020000419507 ("2003 470"), (Attached as Exhibit B) and associated Form 471 #356863 (Attached as Exhibit C) and Funding Request Numbers ("FRNs") 962409, 962617, 962688, 962696, 962703, 962703, 962719, 962731, 962739 and 962744 for Funding Year 2003 (07/01/2003 – 06/30/2004). As will be shown below, the SLD: (1) improperly adjusted the funding commitment without sufficiently examining whether the Commission's rules were violated due to third party participation in the applicant's competitive bidding process; and (2) improperly found that the Form 470 was tainted. Therefore, based on the information provided herein, Synergetics respectfully requests that the Commission grant this Request for Review and remand the Adjustment Letter and order that the Form 470 was not tainted.

On Friday, June 23, 2006 the 2003 Form 470 for Leflore County School District ("Leflore") was singled out for additional review because it was submitted on line and the Internet Protocols address from which it was submitted was the same address as Synergetics. The only questions asked by the Program Compliance Department of SLD were:

1. Provide the name and title and employer of the individual who filed out and submitted the Form 470.
2. Provide that individual's contact information.
3. Provide the specific location from which the Form 470 was filed and submitted

4. If the Service Provider employee assisted in the filling out and or submitting the Form 470, provide the name and title of the Service Provider employee and describe the assistance.
5. Provide an explanation for the IP match

Les Elliott, the Technology Coordinator for Leflore responded that:¹

1. An employee of Synergetics provided assistance that was limited to “making sure that I included all services and products that I determined that Leflore County Schools would need in the upcoming Erate cycle, to make sure all interested parties could understand our needs when reviewing our form 470, and all fields had been completed and done so accurately so as not to jeopardize funding.”
2. “I confirmed that the 470 reflected, in an accurate manner, the needs that I felt Leflore County School district required and asked Mr. Misener to go ahead and submit it from his location.”
3. “At the time of the form 470, my workload was extremely demanding ...(our Technology Dept. consisted of only myself and one other, to provide network, hardware, and software support for approximately 220 teachers, 3000 students, and approx 500 pc’s) and I was also going through a period of failing vision (opaque vitreous detachments, progressive cataract and vision fluctuations, (Ophthalmology report attached.)) that made me insecure in filing important documents that could be disqualified with the smallest of filing errors. This fact was borne out a few months later, while filing a form 486, I omitted an FRN, resulting in the loss of over \$30,000 in district monies.”

To the best of our knowledge, no further investigation was performed by the SLD. Synergetics was never contacted, and neither Leflore nor Synergetics was ever given an opportunity to demonstrate that there was not a violation of the Commission’s competitive bidding rules. Then on July 18, 2006, Synergetics received the Adjustment Letter (Attached as Exhibit E). The Adjustment Letter rescinded in full all committed funding associated with the 2003 470. The explanation provided was that

“after a thorough investigation it has been determined that ... cited Form 470 was tainted. When the Service Provider, Synergetics Diversified Computer Services, participated in the preparation of the cited Form 470 ... the Form 470 becomes tainted. FCC rules require applicants to submit a Form 470 to initiate the competitive bidding process, and to conduct a fair and open process. If the applicant has posted a Form 470 that a service provider participates in the Form 470 preparation and that service provider also participates in the competitive bidding process, the applicant has violated this requirement, and FCC rules consider this Form 470 to be tainted. ... Accordingly, the commitment has been rescinded in full and USAC will seek recovery of any disbursed funds.”²

¹ See Response of Leflore County School District attached as Exhibit D.

² See Notification of Commitment Adjustment Letter (“Adjustment Letter”).

The Adjustment Letter and its findings are contrary to *Academy of Careers and Technologies*, 38 CR 789, FCC 06-55, SLD-418398, *et al.* (May 19, 2006) (“*Academy*”). The mere fact that the same IP address was used by the Applicant and the Service Provider and that the Service Provider may have provided some assistance with the preparation of the Form 470 does not in and of itself constitute a violation of the Commission’s rules.

Academy places on affirmative obligation on USAC and the SLD that “[W]hen USAC suspects that a service provider has improperly participated in an applicant’s bidding process due to the results of its pattern analysis procedure, it is incumbent on USAC to conduct further investigation and analysis prior to denying funding.”³ A service provider or billed entity must be given the opportunity “to demonstrate that it fully complied with all program rules and that it did not violate competitive bidding procedures.”⁴ “If an entity is able to demonstrate that it is fully compliant with all program rules and did not, for example, violate the Commission’s competitive bidding rules, then USAC should not deny funding....”⁵

Neither Leflore, nor Synergetics has been afforded the opportunity to demonstrate compliance. In addition, although, Mr. Elliott stated that he received some assistance from an employee of Synergetics he clearly stated that the assistance was limited to verifying that the information from Mr. Elliott for the Form 470 was consistent with E-rate rules. No Synergetics’ employee ever signed the Form 470 and at no time was an employee of Synergetics listed as the contact person on the Form 470. The Form 470 was created pursuant a Technology Plan approved by the State of Mississippi.⁶ The contact phone number listed in the Form 470 is Mr. Elliott’s office phone at the Leflore County School District. The bids received as a result of the Form 470 were all reviewed solely by Leflore.

Nothing in the record before the SLD and USAC contains any indication that any of the analysis required by *Academy* was done. To the contrary, based even on the limited inquiry, it appears that there was no legal basis for withdrawal of funding. Pursuant to *Academy*, the funding should not have been withdrawn without appropriate investigation.

If the level of investigation required by *Academy* had been performed, no violation of the Commission’s bidding rules would have been found. The Adjustment Letter makes the conclusion that the 2003 470 was tainted because “Synergetics Diversified Computer Services, participated in the preparation of the cited Form 470.” The Adjustment Letter makes the assumption that any participation by a service provider prior to bidding on the Form 470 taints the proceeding. That assumption is not consistent with the Commission’s rules or precedent.

With regard to the requirements for a fair and open competitive bidding process, Section 54.504 of the Commission’s rules provides in pertinent part:

“Competitive bid requirements. Except as provided in §54.511(c), an eligible school, library, or consortium that includes an eligible school or library shall seek competitive bids, pursuant to the

³ *Academy*, at para. 7

⁴ *Id.* at para. 7.

⁵ *Id.* Although *Academy* specifically referenced the “pattern analysis “ procedure, *Academy* is equally applicable here where merely because there was an IP address match and the Service Provider may have provided some assistance, funding was withdrawn.

⁶ See letter from Ms. Gwenda B. Purnell, Special Assistant, Mississippi Department of Education attached as Exhibit F.

requirements established in this subpart, for all services eligible for support under §§54.502 and 54.503. These competitive bid requirements apply in addition to state and local competitive bid requirements and are not intended to preempt such state or local requirements.”

To promote a fair and open competitive bidding process, the Commission adopted several requirements aimed at ensuring that all prospective bidders could identify the services that schools seek to receive and that all such bidders would have sufficient time to prepare and submit bids.⁷ The Commission’s rules require that an applicant make a bona fide request for services by filing with the Administrator an FCC Form 470.⁸ Nowhere in the Commission’s rules nor in the Commission’s Report and Orders implementing the rules are service providers prohibited from any participation in the preparation of the Form 470. To the contrary in *Mastermind*, Mastermind admitted that it was involved in the preparation of Forms 470, that a Mastermind employee was listed as the contact person on some of the Forms 470 and that a Mastermind employee had signed some Forms 470.⁹ The Commission found that to the extent that a Mastermind employee was listed as the contact person or signed the Form 470, the Form 470 was defective and violated the competitive bidding rules.¹⁰ The Commission held that denial was appropriate in any instance in which the service provider is listed as the contact person and participates in the bidding process.¹¹ However, the Commission also held that even where the service provider was involved with the preparation of the Forms 470, “To the extent that the applications at issue were denied by SLD in instances that the Applicant did not name a Mastermind employee as the contact person and a Mastermind employee did not sign the associated Forms 470 or 471, we do not believe that there has been a violation of the competitive bidding process.”¹² Therefore, mere involvement by the service provider in the preparation of the Form 470 does not disqualify the Form 470.

In the instant case, the only finding made by the SLD was that Synergetics participated in the preparation of the Form 470. Under *Mastermind* there must be a finding the service provider either signed the Form 470 or was the contact person. Here no Synergetics employee was listed as the contact person on the Form 470; and no Synergetics’ employee signed either the Form 470 or the 471. If, as required by *Academy*, the SLD had properly investigated they would have found that:

1. The 2003 470 was created consistent with the state approved technology plan;¹³
2. The determination of which services to request was made by Leflore;
3. Synergetics did not sign nor certify the 2003 470;
4. All contacts for the 2003 470 were through the applicant Leflore and not the service provider;

¹⁰ *Id.* at para 10.

¹¹ *Id.* at para. 11.

¹² *Id.* at para 14.

¹³ *Supra* at note 6.

5. The 2003 470 clearly identified Mr. Elliott as the individual to whom inquiries should be directed and was the individual responsible for the selection of a service provider;
6. Synergetics was not involved in any way in the evaluation of bids;¹⁴
7. The bids were fully evaluated consistent with the Commission's standard with price being the primary consideration;
8. The Adjustment Letter requires repayment of funds used to compensate the service provider for maintenance that has already been performed and that was necessary for the continued operation of essential internal connections; and
9. The funds were used for precisely the nature and type of services that provide essential E-Rate benefits.

The SLD failed to properly recognize that the assistance provided by Synergetics as an incumbent service provider was approved by the Commission when it stated in *Mastermind* that "even if an incumbent service provider might have a competitive advantage in the bidding process, it does not exert control over the bidding process to the disadvantage of other potential bidders."¹⁵ The SLD can not simply presume that an incumbent service provider's day-to-day relationship with a billed entity automatically taints the process. Both the billed entity and the Service Provider must be given the opportunity to show that the rules have not been violated. The Commission stated recently in *Providence Public School District*, that after receiving confusing replies to initial inquiries, [the SLD] should have contacted Providence to inquire specifically as to what work was actually being performed. Had the [SLD] done so, Providence would have had the opportunity, at that time, to provide additional documentation..."¹⁶ In addition, as the Commission stated in *Pasadena*, "[the SLD] retains an obligation to conduct a reasonable inquiry into the filings and materials [it] ... has in its possession."¹⁷

In this case, the SLD failed to conduct a reasonable inquiry into the materials already in its possession and when confusion arose regarding the actual level of involvement by Synergetics in the competitive bid process it failed to conduct further inquiries. If a further inquiry was performed, it would have revealed that Synergetics' conduct was consistent with the Commission's rules and policies.

At no time has the FCC ever held that mere participation by a service provider in the 470 process is a violation of the rules or creates a taint on the bidding process. There is, moreover, no basis for such a finding here.

Synergetics has been a participant in the E-rate program since the 1998 – 1999 Funding Year and has provided E-rate eligible services to Leflore consistent with a technology plan approved by the Mississippi Department of Education since that time. Throughout this period of time, Synergetics has only provided assistance that is consistent with the Commission's rules and

the activities listed as proper pursuant to the *SLD Guide to Service Provider Participation in the E-Rate*.¹⁸

From 1998 to 2006 Leflore has posted Forms 470 for internal connections services. During this (period of time) Leflore received only one reply, from Synergetics. Only in Funding Year 2006 did Leflore finally receive a second bid. This second bid was only received after Leflore solicited bids via telephone from alternate providers who had earlier chosen not to bid. There is a dearth of service providers replying to Forms 470, for similar services, in this region. For example, Sunflower County School District, located immediately to the west of Leflore, did not receive any responses to its Form 470 for Basic Maintenance (Internal Connections) from 2002-2006. (Attached as Exhibit H). The remote, rural region of the Mississippi Delta where Leflore is located does not contain the specialized internal connections support required by Leflore. Synergetics is one of few providers providing cost effective E-rate eligible services for internal connection/basic maintenance support.

Leflore County is one of the neediest school districts in the country. As of the 2000 Census the total population of Leflore County was 37,947.¹⁹ 34.80% of the total population was below the poverty line, including 48.00% of those under the age of 18, the age group of most school-age children supported by the E-rate program.²⁰ Leflore County School District is a 90% E-rate discount recipient. The Telecommunications Act directed the Commission to ensure that

"[c]onsumers in all regions of the Nation, including low-income consumers and those in rural, insular, and high cost areas . . . have access to telecommunications and information services . . . at rates that are reasonably comparable to rates charged for similar services in urban areas. Congress further directed the Commission to define additional services for support for eligible schools, libraries, and health care providers, and directed the Commission to establish competitively neutral rules . . . to enhance, to the extent technically feasible and economically reasonable, access to advanced telecommunications and information services for all public and non-profit elementary and secondary school classrooms, health care providers, and libraries."²¹

Denial of funding to one of the nation's poorest and neediest regions would be contrary to the purpose of the E-rate program.²²

²² See *Bishop Perry Middle School*, FCC 06-54, SLD-487170, et al. (May 19, 2006).

Upholding the SLD's issuance of a Notification of Commitment Adjustment Letter in this case is contrary to the purposes of the E-rate program and against the public interest. The SLD did not conduct the level of inquiry required by *Academy*. Pursuant to *Mastermind*, mere assistance with the Form 470 is not a violation of the Rules. The Commission has never refused funding for mere assistance with the Form 470. Given the fact that Leflore is a very poor school district for which the E-rate program was designed to provide assistance, it is not appropriate, on an *ex post facto* basis, to require repayment of funds used consistent with the rules.

Therefore, Synergetics respectfully requests that the Commission remand the Adjustment Letter and order USAC to rescind its adjustment of the prior funding for the 2003 470 filed by Leflore.

IMPORTANT REMINDERS & DEADLINES

The following information is provided to assist you throughout the application process. We recommend that you keep it in an easily accessible location and that you share it with the appropriate members of your organization.

FORM 486 DEADLINE - The Form 486 must be postmarked no later than 120 days after the Service Start Date you report on the Form 486 or no later than 120 days after the date of the Funding Commitment Decision Letter, whichever is later. If you are required to have a Technology Plan, you must indicate the SLD Certified Technology Approver who approved your plan and you must retain documentation of your monitoring of the progress toward your stated goals.

CHILDREN'S INTERNET PROTECTION ACT (CIPA) - If FY2003 is your Third Funding Year for the purposes of CIPA and you apply for Internet Access or Internal Connections, you must be in compliance with CIPA and cannot request a waiver. The Supreme Court may issue an opinion in July 2003 changing the CIPA requirements - watch the SLD web site.

INVOICE DEADLINE - Invoices must be postmarked no later than 120 days after the last date to receive service - including extensions - or 120 days after the date of the Form 486 Notification Letter, whichever is later. Invoices should not be submitted until the invoiced products and services have been delivered and billed, and (for BEAR Forms) the provider has been paid.

OBLIGATION TO PAY NON-DISCOUNT PORTION - Applicants are required to pay the non-discount portion of the cost of the products and/or services. Service providers are required to bill applicants for the non-discount portion. The FCC has stated that requiring applicants to pay their share ensures efficiency and accountability in the program. If you are using a trade-in as part of your non-discount portion, please refer to the SLD web site.

RETAIN DOCUMENTATION - Applicants and service providers must retain documentation, including but not limited to, documents showing:

- compliance with all applicable competitive bidding requirements,
- products and/or services delivered (e.g., customer bills detailing make, model and serial number),
- resources necessary to make effective use of E-rate discounts, including the purchase of equipment such as Workstations not eligible for support,
- the specific location of each item of E-rate funded equipment, and
- the applicant has paid the non-discount portion.

These documents must be retained and available for review for 5 years.

FREE SERVICES ADVISORY - Applicants and service providers are prohibited from using the Schools and Libraries Support Mechanism to subsidize the procurement of ineligible or unrequested products and services, or from participating in arrangements that have the effect of providing a discount level to applicants greater than that to which applicants are entitled.

Complete program information is posted to the Schools and Libraries Division (SLD) web site at www.sl.universalservice.org. Information is also available by contacting the SLD Client Service Bureau by e-mail at question@universalservice.org, by fax at 1-888-276-8736 or by phone at 1-888-203-8100.

Decision Letter (ECDL) you are appealing. Indicate the relevant funding year and the date of the ECDL. Your letter of appeal must also include the applicant name, the Form 471 Application Number, and the Billed Entity Number from the top of your letter.

3. When explaining your appeal, copy the language or text from the funding synopsis that is at the heart of your appeal, to allow the SLD to more readily understand and respond appropriately. Please keep your letter to the point, and provide documentation to support your appeal. Be sure to keep copies of your correspondence and documentation.
4. Provide an authorized signature on your letter of appeal.

If you are submitting your appeal on paper, please send your appeal to: Letter of Appeal, Schools and Libraries Division, Box 125 - Correspondence Unit, 80 South Jefferson Road, Whippany, NJ 07981. Additional options for filing an appeal can be found in the "Appeals Procedure" posted in the Reference Area of the SLD web site or by contacting the Client Service Bureau. We encourage the use of either the e-mail or fax filing options to expedite filing your appeal.

While we encourage you to resolve your appeal with the SLD first, you have the option of filing an appeal directly with the Federal Communications Commission (FCC). You should refer to CC Bucket No. 02-6 on the first page of your appeal to the FCC. Your appeal must be RECEIVED BY THE FCC WITHIN 60 DAYS OF THE ABOVE DATE ON THIS LETTER. Failure to meet this requirement will result in automatic dismissal of your appeal. Further information and options for filing an appeal directly with the FCC can be found in the "Appeals Procedure" posted in the Reference Area of the SLD web site or by contacting the Client Service Bureau. We strongly recommend that you use either the e-mail or fax filing options because of continued substantial delays in mail delivery to the FCC. If you are submitting your appeal via United States Postal Service, send to: FCC, Office of the Secretary, 445 12th Street SW, Washington, DC 20554.

NOTICE ON RULES AND FUNDS AVAILABILITY

Applicants' receipt of funding commitments is contingent on their compliance with all statutory, regulatory, and procedural requirements of the Schools and Libraries Universal Service Support Mechanism. Applicants who have received funding commitments continue to be subject to audits and other reviews that the SLD and/or the FCC may undertake periodically to assure that funds that have been committed are being used in accordance with all such requirements. The SLD may be required to reduce or cancel funding commitments that were not issued in accordance with such requirements, whether due to action or inaction, including but not limited to that by the SLD, the applicant, or the service provider. The SLD, and other appropriate authorities (including but not limited to USAC and the FCC), may pursue enforcement actions and other means of recourse to collect erroneously disbursed funds. The timing of payment of invoices may also be affected by the availability of funds based on the amount of funds collected from contributing telecommunications companies.

A GUIDE TO THE FUNDING COMMITMENT REPORT

A report for each E-rate funding request from your application is attached to this letter. We are providing the following definitions for the items in that report.

FORM 471 APPLICATION NUMBER: The unique identifier assigned to a Form 471 application by the SLD.

FUNDING REQUEST NUMBER (FRN): A Funding Request Number is assigned by the SLD to each Block 5 of your Form 471 once an application has been processed. This number is used to report to Applicants and Service Providers the status of individual discount funding requests submitted on a Form 471.

FUNDING STATUS: Each FRN will have one of the following definitions:

1. An FRN that is "Funded" will be approved at the level that the SLD determined is appropriate for that item. The funding level will generally be the level requested unless the SLD determines during the application review process that some adjustment is appropriate.
2. An FRN that is "Not Funded" is one for which no funds will be committed. The reason for the decision will be briefly explained in the "Funding Commitment Decision," and amplification of that explanation may be offered in the section, "Funding Commitment Decision Explanation." An FRN may be "Not Funded" because the request does not comply with program rules, or because the total amount of funding available for this Funding Year was insufficient to fund all requests.
3. An FRN that is "As Yet Unfunded" reflects a temporary status that is assigned to an FRN when the SLD is uncertain at the time the letter is generated whether there will be sufficient funds to make commitments for requests for Internal Connections at a particular discount level. For example, if your application included requests for discounts on both Telecommunications Services and Internal Connections, you might receive a letter with funding commitments for your Telecommunications Services funding requests and a message that your Internal Connection requests are "As Yet Unfunded." You would receive one or more subsequent letters regarding the funding decision on your Internal Connections requests.

SERVICES ORDERED: The type of service ordered from the service provider, as shown on Form 471.

SPIN (Service Provider Identification Number): A unique number assigned by the Universal Service Administrative Company to service providers seeking payment from the Universal Service Fund for participating in the universal service support mechanisms. A SPIN is also used to verify delivery of services and to arrange for payment.

SERVICE PROVIDER NAME: The legal name of the service provider.

CONTRACT NUMBER: The number of the contract between the eligible party and the service provider. This will be present only if a contract number was provided on Form 471.

BILLING ACCOUNT NUMBER: The account number that your service provider has established with you for billing purposes. This will be present only if a Billing Account Number was provided on Form 471.

EARLIEST POSSIBLE EFFECTIVE DATE OF DISCOUNT: The first possible date of service for which the SLD will reimburse service providers for the discounts for the service.

CONTRACT EXPIRATION DATE: The date the contract expires. This will be present only if a contract expiration date was provided on Form 471.

SITE IDENTIFIER: The Entity Number listed in Form 471, Block 5, Item 22a will be listed. This will appear only for "site specific" FRNs.

ANNUAL PRE-DISCOUNT AMOUNT FOR ELIGIBLE RECURRING CHARGES: Eligible monthly pre-discount amount approved for recurring charges multiplied by number of months of recurring service provided in the funding year.

ANNUAL PRE-DISCOUNT AMOUNT FOR ELIGIBLE NON-RECURRING CHARGES: Annual eligible non-recurring charges approved for the funding year.

PRE-DISCOUNT AMOUNT: Amount in Form 471, Block 5, Item 23I, as determined through the application review process.

FCDL/Schools and Libraries Division/USAC

06/30/2003

DISCOUNT PERCENTAGE APPROVED BY THE SLD: This is the discount rate that the SLD has approved for this service.

FUNDING COMMITMENT DECISION: This represents the total amount of funding that the SLD has reserved to reimburse service providers for the approved discounts for this service for this funding year. It is important that you and the service provider both recognize that the SLD should be invoiced and the SLD may direct disbursement of discounts only for eligible, approved services actually rendered.

FUNDING COMMITMENT DECISION EXPLANATION: This entry may amplify the comments in the "Funding Commitment Decision" area.

To Les Elliott:

I am writing from the Program Compliance Department of Schools and Libraries. I am currently reviewing your Fund Year 2003 Form 471 Application 356863. I need some additional information to complete my review. Please provide the following:

On your Form 471 356863, you indicated that Form 470 744020000419507 is the establishing Form 470 for the services requested in FRNs 962409, 962617, 962688, 962696, 962703, 962719, 962731, 962739, and 962744.

Form 470 744020000419507 was submitted online. The Internet Protocol (IP) address from which it was submitted is the same as the address from which the service provider Synergetics Diversified Computer Services, SPIN 143004683, submitted their Service Provider Invoices (Forms 474).

As stated on the Form 470, service provider involvement with preparation or certification of a Form 470 can taint the competitive bidding process and result in the denial of funding requests.

This service provider is cited on FRNs 962409, 962617, 962688, 962696, 962703, 962719, 962731, 962739, and 962744 for Internal Connections.

As such, please respond to the following questions:

RESPONSE

Please provide the name and title and employer of the individual who filled out and submitted Form 470 744020000419507. Please also provide that individual's contact information.

Rob Misener - Sales Rep. - SynergeticsDCS,Inc.

Please provide the specific location from which Form 470 744020000419507 was filed and submitted.

**Submitted from SynergeticsDCS office
501 Hwy 12 West
Starkville, Ms. 39759**

If a Service Provider employee assisted in the filling out and/or submitting Form 470 744020000419507, please provide the name and title of the Service Provider's employee and describe the assistance. Please also provide that individual's contact information.

Rob Misener - Sales Rep. - Synergetics,Inc

Mr Misener is not employed with Synergetics at this time and I do know his current address.

Mr. Misener's assistance was limited to making sure that I included all services and products that I had determined that Leflore County Schools would need in the upcoming Erate cycle, to make sure all interested parties could understand our needs when reviewing our form 470, and all fields had been completed and done so accurately so as not to jeopardize funding.

Please explain the reason for the IP address match. You may wish to work with your Internet Service Provider to help provide the explanation. Please provide documentation in support of your response.

I confirmed that the 470 reflected, in an accurate manner, the needs that I felt Leflore County School district required and ask Mr. Misener to go ahead and submit it from his location. At the time of this form 470, my workload was extremely demanding...(Our Technology Dept. consisted of only myself and one other, to provide network, hardware and software support for approx 220 teachers, 3000 students and approx 500 pc's) and I was also going thru a period of falling vision (opaque vitreous detachments, progressive cataract and vision fluctuations, (Opthamology report attached.)) that made me insecure in filing important documents that could be disqualified with the smallest of filing errors. This fact was borne out a few months later, while filing a form 486, I omitted an FRN, resulting in the loss of over \$30,000 in district monies.

Mr. Kim, thank you, again, for granting my request for an extension to your inquiry as it did allow me to complete the year-end regular school and summer enrichment program processing requirements of the state and local departments of education.

Our routine review of Schools and Libraries Program funding commitments has revealed certain applications where funds were committed in violation of program rules.

In order to be sure that no funds are used in violation of program rules, the Schools Libraries Division (SLD) of the Universal Service Administrative Company (USAC) must now adjust your overall funding commitment. The purpose of this letter is to make the adjustments to your funding commitment required by program rules, and to give you an opportunity to appeal this decision. USAC has determined the applicant is responsible for all or some of the program rule violations. Therefore, the applicant is responsible to repay all or some of the funds disbursed in error (if any).

This is NOT a bill. If recovery of disbursed funds is required, the next step in the recovery process is for SLD to issue you a Demand Payment Letter. The balance of the debt will be due within 30 days of the Demand Payment Letter. Failure to pay the debt within 30 days from the date of the Demand Payment Letter could result in interest, late payment fees, administrative charges and implementation of the "Red Light Rule." Please see the "Informational Notice to All Universal Service Fund Contributors, Beneficiaries, and Service Providers" at <http://www.universalservice.org/fund-administration/tools/latest-news.aspx#083104> for more information regarding the consequences of not paying the debt in a timely manner.

TO APPEAL THIS DECISION:

If you wish to appeal the Commitment Adjustment Decision indicated in this letter, your appeal must be received or postmarked within 60 days of the date of this letter. Failure to meet this requirement will result in automatic dismissal of your appeal. In your letter of appeal:

1. Include the name, address, telephone number, fax number, and e-mail address (if available) for the person who can most readily discuss this appeal with us.
2. State outright that your letter is an appeal. Identify the date of the Notification of Commitment Adjustment Letter and the Funding Request Numbers you are appealing. Your letter of appeal must include the Billed Entity Name, the Form 471 Application Number, Billed Entity Number, and FCC Registration Number (FCC RN) from the top of your letter.
3. When explaining your appeal, copy the language or text from the Notification of Commitment Adjustment Letter that is the subject of your appeal to allow the SLD to more readily understand your appeal and respond appropriately. Please keep your letter specific and brief, and provide documentation to support your appeal. Be sure to keep copies of your correspondence and documentation.
4. Provide an authorized signature on your letter of appeal.

If you are submitting your appeal electronically, please send your appeal to appeals@sl.universalservice.org using your organization's e-mail. If you are submitting your appeal on paper, please send your appeal to: Letter of Appeal, Schools and Libraries Division, Dept. 125 - Correspondence Unit, 100 South Jefferson Road, Whippany, NJ 07981. Additional options for filing an appeal can be found in the "Appeals Procedure" posted in the Appeals Area of the SLD section of the USAC web site or by contacting the Client Service Bureau at 1-888-203-8100. We strongly recommend that you use the electronic appeals options.

While we encourage you to resolve your appeal with the SLD first, you have the option of filing an appeal directly with the Federal Communications Commission (FCC). You should refer to CC Docket No. 02-6 on the first page of your appeal to the FCC. Your appeal must be received or postmarked within 60 days of the date of this letter. Failure to meet this requirement will result in automatic dismissal of your appeal. If you are submitting your appeal via United States Postal Service, send to: FCC, Office of the Secretary, 445 12th Street SW, Washington, DC 20554. Further information and options for filing an appeal directly with the FCC can be found in the "Appeals Procedure" posted in the Reference Area of the SLD section of the USAC web site, or by contacting the Client Service Bureau. We strongly recommend that you use the electronic filing options.

FUNDING COMMITMENT ADJUSTMENT REPORT

On the pages following this letter, we have provided a Funding Commitment Adjustment Report (Report) for the Form 471 application cited above. The enclosed Report includes the Funding Request Number(s) from your application for which adjustments are necessary. Immediately preceding the Report, you will find a guide that defines each line of the Report.

The SLD is also sending this information to your service provider(s) for informational purposes. If USAC has determined the service provider is also responsible for any rule violation on these Funding Request Numbers, a separate letter will be sent to the service provider detailing the necessary service provider action.

Please note that if the Funds Disbursed to Date amount is less than the Adjusted Funding Commitment amount, USAC will continue to process properly filed invoices up to the Adjusted Funding Commitment amount. Please note the Funding Commitment Adjustment Explanation in the attached Report. It explains why the funding commitment is being reduced. Please ensure that any invoices that you or your service provider submit to USAC are consistent with program rules as indicated in the Funding Commitment Adjustment Explanation. If the Funds Disbursed to Date amount exceeds your Adjusted Funding Commitment amount, USAC will have to recover some or all of the disbursed funds. The Report explains the exact amount (if any) the applicant is responsible for repaying.

A GUIDE TO THE FUNDING COMMITMENT ADJUSTMENT REPORT

A report for each E-rate funding request from your application for which a commitment adjustment is required is attached to this letter. We are providing the following definitions for the items in that report.

FUNDING REQUEST NUMBER (FRN): A Funding Request Number is assigned by the SLD to each individual request in your Form 471 once an application has been processed. This number is used to report to applicants and service providers the status of individual discount funding requests submitted on a Form 471.

SERVICES ORDERED: The type of service ordered from the service provider, as shown on Form 471.

SPIN (Service Provider Identification Number): A unique number assigned by the Universal Service Administrative Company to service providers seeking payment from the Universal Service Fund for participating in the universal service support mechanisms. A SPIN is also used to verify delivery of services and to arrange for payment.

SERVICE PROVIDER NAME: The legal name of the service provider.

CONTRACT NUMBER: The number of the contract between the applicant and the service provider. This will be present only if a contract number was provided on your Form 471.

BILLING ACCOUNT NUMBER: The account number that your service provider has established with you for billing purposes. This will be present only if a Billing Account Number was provided on your Form 471.

SITE IDENTIFIER: The Entity Number listed in Form 471, Block 5, Item 22a. This number will only be present for "site specific" FRNs.

ORIGINAL FUNDING COMMITMENT: This represents the original amount of funding that SLD had reserved to reimburse you for the approved discounts for this service for this funding year.

COMMITMENT ADJUSTMENT AMOUNT: This represents the amount of funding that SLD has rescinded because of program rule violations.

ADJUSTED FUNDING COMMITMENT: This represents the adjusted total amount of funding that SLD has reserved to reimburse for the approved discounts for this service for this funding year. If this amount exceeds the Funds Disbursed to Date, the SLD will continue to process properly filed invoices up to the new commitment amount.

FUNDS DISBURSED TO DATE: This represents the total funds that have been paid to the identified service provider for this FRN as of the date of this letter.

FUNDS TO BE RECOVERED FROM APPLICANT: This represents the amount of improperly disbursed funds to date as a result of rule violation(s) for which the applicant has been determined to be responsible. These improperly disbursed funds will have to be recovered from the applicant.

FUNDING COMMITMENT ADJUSTMENT EXPLANATION: This entry provides an explanation of the reason the adjustment was made.

Funds to be Recovered from Applicant:	\$4,663.18

Funding Commitment Adjustment Explanation:

After a thorough investigation, it has been determined that this funding commitment must be rescinded in full. During the course of review it was determined that cited Form 470 was tainted. When the Service Provider, Synergetics Diversified Computer Services, participated in the preparation of the cited Form 470 (Application Number: 744020000419507), the Form 470 becomes tainted. FCC rules require applicants to submit a Form 470 to initiate the competitive bidding process, and to conduct a fair and open process. If the applicant has posted a Form 470 that a service provider participates in the Form 470 preparation and that service provider also participates in the competitive bidding process, the applicant has violated this requirement, and FCC rules consider this Form 470 to be tainted. All Funding Requests that relate to this Form 470 are required to be denied because the Form 470 is tainted. Accordingly, the commitment has been rescinded in full and USAC will seek recovery of any disbursed funds. USAC has determined that both the applicant and the service provider are responsible for this rule violation; if any funds were disbursed, USAC will seek recovery of the improperly disbursed funds from both the applicant and the service provider.

Contract Number:	0111BDER
Billing Account Number:	
Site Identifier:	128596
Original Funding Commitment:	\$5,962.50
Commitment Adjustment Amount:	\$5,962.50
Adjusted Funding Commitment:	\$0.00
Funds Disbursed to Date:	\$5,962.50
Funds to be Recovered from Applicant:	\$5,962.50
Funding Commitment Adjustment Explanation:	

After a thorough investigation, it has been determined that this funding commitment must be rescinded in full. During the course of review it was determined that cited Form 470 was tainted. When the Service Provider, Synergetics Diversified Computer Services, participated in the preparation of the cited Form 470 (Application Number:744020000419507), the Form 470 becomes tainted. FCC rules require applicants to submit a Form 470 to initiate the competitive bidding process, and to conduct a fair and open process. If the applicant has posted a Form 470 that a service provider participates in the Form 470 preparation and that service provider also participates in the competitive bidding process, the applicant has violated this requirement, and FCC rules consider this Form 470 to be tainted. All Funding Requests that relate to this Form 470 are required to be denied because the Form 470 is tainted. Accordingly, the commitment has been rescinded in full and USAC will seek recovery of any disbursed funds. USAC has determined that both the applicant and the service provider are responsible for this rule violation; if any funds were disbursed, USAC will seek recovery of the improperly disbursed funds from both the applicant and the service provider.
